## PROFESSIONAL EXPERIENCE

### **The World Bank**

Washington, DC

#### **a) Development Impact Evaluation Initiative (DIME)**

##### ***Economist-Coordinator, Africa HIV IE Program***

2009 – present

- Led policy dialogue and worked with governments, academics, donors and Bank staff to successfully launch and implement 11 impact evaluations in HIV and health.
- Fundraised over US\$ 3 million in research grants to finance the IE work, performing procurement functions for the hiring of consultants and firms.
- Co-Principal Investigator in 7 IEs in Benin, Cote d'Ivoire, Kenya, Malawi, Nigeria, and Senegal, supporting the design, implementation, analysis, and write-up of final reports.
- Organized the content and logistics of three multi-country DIME workshops in Health (Cape Town and Dakar) and Education (Dakar), promoting capacity building of clients and launching new IEs.
- Disseminated evaluation results by presenting at seminars and closely working with governments and Bank staff, influencing the design of new government health programs and policies.

#### **b) Independent Evaluation Group (IEG)**

##### ***Research Analyst***

2005 – 2008

- Conducted qualitative evaluations of WB projects in different sectors, reviewing projects PADs and ICRs, and interviewing in-country stakeholders.
- Supported a thematic evaluation of public sector reforms. Was in charge of constructing and analyzing a new dataset, writing three country case studies, and drafting sections of final report.

### **Secretariat of Economic Development of the State of Jalisco**

Guadalajara, Mexico

#### ***Statistics Specialist***

2000 – 2003

- Designed and conducted business surveys and wrote statistical sections of reports.
- Wrote briefs and prepared presentations regularly for the state's minister of economic development and other public officials on the state's economic and social sectors.
- Delivered lectures on the state's economy, informing trade organizations, universities and private companies on recent economic and financial statistics.
