

**Development Objective:** To enhance and expand the frontiers of the World Bank’s engagement in helping countries address the drivers and impacts of FCV and strengthening the resilience of countries and affected populations, communities and institutions.

	Fund-level indicators	Grant-level indicators <i>(as applicable)</i>
<b>DO-LEVEL OUTCOMES</b>		
1. Number of operations, strategies, and policies in FCV influenced by SPF-supported work on frontier topics 2. Number of SPF grants that increase capacity of clients, partners, and WB to address drivers and impacts of FCV or to strengthen resilience 3. Number of beneficiaries of SPF-supported projects (of which, number of women beneficiaries)		
<b>INTERMEDIATE OUTCOMES</b>		
<b>Areas of Focus</b> <i>Prevention</i>  <i>Remaining engaged during conflict and crisis</i>  <i>Transitions out of fragility</i>  <i>Mitigating the spillovers of FCV</i>	4. SPF grants that enhance prevention related to the onset or escalation of violence and conflict 5. SPF grants that preserve institutional and human capacities in situations of active conflict 6. SPF grants that facilitate post-crisis transition and recovery 7. SPF grants that mitigate the institutional, social, and economic stresses of forced displacement 8. SPF grants that strengthen response to cross-border shocks and spillovers	<ul style="list-style-type: none"> <li>» Increased capacity to monitor and analyze crisis and conflict risks</li> <li>» Project implementation facilitated in situations of active conflict</li> <li>» Resilience, recovery, or peacebuilding ‘pathways’ identified</li> <li>» Post-conflict and transition processes supported</li> <li>» Regional or sub-regional initiatives strengthened</li> </ul>
<b>Program Objectives</b> <i>Develop new approaches and solutions</i>  <i>Provide catalytic financing</i>  <i>Deliver collective results</i>  <i>Strengthen institutional knowledge</i>	9. SPF grants that explore frontier topics or pilot innovative approaches 10. SPF grants that are scaled or mainstreamed into IDA/IBRD operations 11. Ratio of financing mobilized 12. SPF grants engaging with UN entities 13. SPF grants designed or implemented in partnership with NGOs and CSOs, MDBs, or local governments 14. SPF grants that have convened knowledge sharing events or exchanges	<ul style="list-style-type: none"> <li>» Analytics produced on frontier topics</li> <li>» Access to financing instruments facilitated</li> <li>» Joint analytics, assessments, frameworks, or data platforms produced with UN entities</li> <li>» Policy dialogue supported</li> <li>» Guidance notes, best practice notes, and lessons learned notes produced</li> <li>» Knowledge sharing events or exchanges held (of which, number of external events)</li> </ul>

CROSS-CUTTING PRIORITIES		
<p><i>Prioritize the most disadvantaged and vulnerable</i></p> <p><i>Systematically address gender-based inequalities</i></p>	<p>15. SPF grants targeting vulnerable populations</p> <p>16. SPF grants addressing gender-specific drivers and impacts of FCV</p>	<ul style="list-style-type: none"><li>» Analytics on the impacts of FCV on forcibly displaced populations, youth, or other vulnerable groups</li><li>» Inclusion and participation of vulnerable groups in project design or implementation</li><li>» Analytics and assessments produced on gender disparities, inequalities, or risks in FCV</li><li>» GBV prevention and response approaches piloted</li></ul>
